

# Applying for NBRC Examinations

## Graduate from an Accredited Respiratory Therapy Education Program

1

- Before graduation, your Program Director or other educator may ask you to complete a Student Information Sheet which asks for your personal information. This information is necessary so your school can submit your graduation information to the NBRC electronically.
- After NBRC receives your graduation information, you will be sent an email with a link to the online application so you can register for the examination.

- The Candidate Handbook was developed to help you apply and prepare for the examination. It contains policies regarding Examination Appointment Changes, Rules for the Examination and Identification Requirements. You should be familiar with these policies before applying for the examination and scheduling a testing appointment.
- You may view and download the Candidate Handbook at [nbrc.org](http://nbrc.org).

2

## Read the Candidate Handbook

## Complete the Examination Application

3

- Apply online or download the paper application from [nbrc.org](http://nbrc.org). Applying online will allow you to schedule your examination appointment in as soon as two business days.
- You have 90 days from the date your application is approved to schedule and complete the examination.

- You will receive an email confirmation notice with scheduling instructions once your application is approved.
- Examinations are administered Monday through Saturday with morning and afternoon sessions.
- Schedule your exam at [goAMP.com](http://goAMP.com) or call 888.519.9901.
- Once your examination appointment is scheduled, you will receive an appointment confirmation email and a reminder email two days before your examination.
