EXCELLENCE
defines us.

WHAT IS THE SCHOOL PORTAL?

The School Portal allows respiratory care program directors and authorized users to provide the NBRC electronic verification of graduation and access to real-time school summary reports showing student performance on NBRC examinations.

If you are not currently enrolled for these free services, please contact the NBRC at portalsupport@nbc.org or 913.895.4900 for more information.

PORTAL FEATURES

The School Portal Allows Users To:

- Verify Credentials
- Manage Your Program Users
- Purchase Exam Fee Vouchers
- View Current Announcements
- Generate the Annual School Summary Report Required by CoARC for Program Accreditation
- Generate Student Performance Reports
- Access Content Outlines and Handbook
- Purchase SAEs and View SAE Reports
- Enter/Edit Student and Graduation Info
- Access Student List

STUDENT PROFILES

Allow your students to enter their own personal information!

We understand the security risk of gathering sensitive information from your students for the School Portal. Check the Partial Profile box within each record to enter and save student names and email addresses only. Students will receive an email with a link to their profile so they may finish completing the form with their sensitive information.
