Specialist

You have distinguished yourself in the respiratory care field by earning one or more credentials from the NBRC. Lapel pins allow you to proudly display your achievements you worked so hard to earn.

Pins come with your initials engraved on the back. Registry numbers are engraved on all RRT pins.

Order your lapel pin through our [Practitioner Portal](#) at [nbrc.org](https://nbrc.org). If you have any questions, please call us for support at 913.895.4900.
